

Contemporary Showcase Edmonton

A Festival of Music of Canadian Composers

Greetings!

Contemporary Showcase Edmonton offers unique and exciting programs that would benefit from your support. May we interest you in considering a contribution?

Contemporary Showcase, held throughout various centers in Canada, is a music festival with non-competitive classes giving students a chance to share and discover music by contemporary classical Canadian composers. Students receive an educational critique from highly experienced clinicians, who are often composers themselves. Contemporary Showcase 2022, our 29th year, will be held November 18-20, 2022. We have managed to run the festival throughout the pandemic with varying levels of virtual attendance. Our hope is for it to be fully live this year.

Contemporary Showcase Edmonton also runs a Young Composers Program in October for students to learn to compose music. Previous mentors have been established Canadian composers such as John Estacio, Allan Gilliland and Juno Award winner Malcolm Forsyth.

Detailed information about our programs can be found on our website, www.csedmonton.com. Please feel welcome to contact me with questions at ivory88@interbaun.com or 780-619-1988.

Contemporary Showcase Edmonton is run entirely by a committee of volunteers contributing an estimated \$12,000 in 700 volunteer hours.
